

# Putting the Worth into Worship: Using the Ordinary and Everyday to Create Experiences of Worship

The Midland Association of Lay Preachers and Service Leaders is offering an exciting training day, led by Rev. Ant Howe, minister of Kingswood.

If you feel that the worship services you're writing are becoming a little mundane, join us and discover how to create a worship ritual out of ordinary, everyday items.

We will also be asking participants to bring readings, poems or music on the theme of Autumn moving into Winter.

Come along and be inspired!
