Anyone involved in church promotion or resource development can be added to Canva Pro for free via the MUA team. This allows us to share resources and collaborate on social media campaigns. The projects created could be used for posters for your wayside pulpit, posts on Facebook, or printed materials for services or events. There are so many possibilities and this is an incredibly versatile tool with lots of "clip art" style images already included and easy to search. To be added, email [aleks.zglinska@gmail.com](mailto:aleks.zglinska@gmail.com) from the email address you wish to use for the account with the Subject line: 'Please add me to the MUA Canva'.
