

BITS AND PIECES . . . AND PLEASE KEEP THEM COMING IN!

Here is your 202nd Midland Unitarian Association Inc. Bits & Pieces for May 2025. If you want any news from your congregation included here, please send it to me (details below)

MUA Inc. AIMS AND OBJECTIVES

- Support congregations
- Make things happen by providing leadership and initiating projects
- Find resourceful solutions
- Connect Unitarians in the Midlands.

MU NOW

A gentle reminder that the deadline for contributions to the May issue of MU Now is **Friday 9th May**. I would welcome news items from our congregations and also pieces on this issue's theme, "Living Our Faith." Please send all items to Rev Sue Woolley, contact details below.

GENERAL ASSEMBLY ANNUAL MEETINGS

I was so sorry to miss attending this year's GA Annual Meetings, having chosen a very inopportune time to fall ill, but gather that a splendid time was had by all. If it was your first time, I would really welcome an article about your impressions and experiences for MU Now – see above. Or if you have attended many Annual Meetings, and something new and different caught your eye and opened your heart...

MUA CONGREGATIONS' SUSTAINABILITY AUDITS

By now you will all have had the chance to read through the detailed report prepared for your congregation by Unitarian Transformers. The MUA Executive Committee will be holding a face-to-face meeting of its members on Saturday 24th May to consider the findings and recommendations of Transformers, so that we can better serve you as your District Association and use the resources at our disposal most efficiently and effectively.

If you have anything particular you would like us to consider, please submit this in writing to our Treasurer, Kieren Mardle-Moss (kierenmoss@me.com) or to me at the address below, by the previous weekend (17th/18th May). Thank you.

If you have any contributions for the next *Bits & Pieces*, please send them to me at 5, Martins Road, Piddington, Northampton NN7 2DN or via e-mail to revsuewoolley@gmail.com Thanks!
