

BITS AND PIECES . . . AND PLEASE KEEP THEM COMING IN!

Here is your 203rd Midland Unitarian Association Inc. Bits & Pieces for June 2025. If you want any news from your congregation included here, please send it to me (details below)

MUA Inc. AIMS AND OBJECTIVES

- Support congregations
- Make things happen by providing leadership and initiating projects
- Find resourceful solutions
- Connect Unitarians in the Midlands.

MUA Inc. EXECUTIVE COMMITTEE MEETING 24TH MAY: KEY MESSAGES

1 Sustainability Audits: the EC are planning how we will implement the recommendations of the Sustainability Audit Report, prepared for us by Unitarian Transformers. More information to follow.

2 New EC member: we welcomed David Healey of Warwick to the committee.

3 District Minister / District Secretary succession planning: Rev Sue Woolley will be retiring from both posts in February / March 2026. A small sub-committee has been formed to consider how she might be replaced as District Minister, and an advert for the post of District Secretary is being circulated with this issue of *Bits & Pieces*.

MU NOW

I apologise for the slightly late circulation of *MU Now*, which is due to delays at the printer's. It is in the post on its way to you right now.

The theme for the next issue, which will be coming out in September, is "Sustainability". This can be interpreted in many ways – ecologically, or in terms of the sustainability of the Unitarian witness in the Midlands. Your choice... please send me your articles – the more, the merrier!

In the meantime, I hope you enjoy the May issue.

If you have any contributions for the next *Bits & Pieces*, please send them to me at 5, Martins Road, Piddington, Northampton NN7 2DN or via e-mail to revsuewoolley@gmail.com Thanks!
