

BITS AND PIECES . . . AND PLEASE KEEP THEM COMING IN!

Here is your 206th Midland Unitarian Association Inc. Bits & Pieces for October 2025. If you want any news from your congregation included here, please send it to me (details below)

MUA Inc. AIMS AND OBJECTIVES

- Support congregations
- Make things happen by providing leadership and initiating projects
- Find resourceful solutions
- Connect Unitarians in the Midlands.

MUA 3 HORIZONS WORKSHOP: IMAGINING THE FUTURE OF UNITARIANISM IN THE MIDLANDS

This was a fascinating workshop. Nick Butler-Watts took us through a three-fold process of considering what is happening in the District, in our congregations, at present; sharing our visions for a bright and flourishing future; and then working out how it might be possible to get from here to there. We also considered what innovations and new ideas are currently around in the District, and how we might build on them. There will be a fuller article about this workshop in the January issue of *MU Now*.

MU NOW

The theme for the next issue, which will be coming out in January, is “Celebration and Joy”. Please send me your articles – the more, the merrier!

I am also interested in pieces of local news – events happening in our congregations – perhaps you have played host to another event, or have held one yourselves. Any articles on this kind of thing, preferably with accompanying photos, would be most welcome. We can all learn from each other!

The deadline for all articles is 9th January 2026. Thank you.

MUA ESTATES MANAGER

Mr Chris Downes has been appointed as MUA Estates Manager, and will be available to assist congregations in the care and upkeep of their buildings. Please contact him in the first instance through the MUA Treasurer, Kieren Mardle-Moss. (e-mail kierenlmoss@me.com).

If you have any contributions for the next *Bits & Pieces*, please send them to me at 5, Martins Road, Piddington, Northampton NN7 2DN or via e-mail to revsuewoolley@gmail.com Thanks!
