

BITS AND PIECES . . . AND PLEASE KEEP THEM COMING IN!

Here is your 146th Midland Unitarian Association Bits & Pieces for September 2020. If you want any news from your congregation included here, please send it to me (details below)

RE-OPENING OUR PLACES OF WORSHIP

I am sure you have all heard the news that churches and chapels may re-open for worship, observing safe social-distancing measures, from 4th July. I have sent round two documents, one from the General Assembly and one from the LDPA Council, which detail the many factors which congregational committees will need to take into account before they make the decision to re-open. Please let me know when and if your church or chapel is planning to re-open, so that I can share it with other congregations in the District. So far as I know, only Warwick has re-opened so far, although Shrewsbury is planning to on 6th September.

MU NOW

I have asked Secretaries of congregations to let her know how many hard copies of the magazine their congregation needs, and most have responded. Please would the final few do so **this week** as the deadline for submissions for the next issue is 4th September.

So please send your items (either news about your congregation, or on the theme of 'Spirit') to me at the address below.

I would be particularly interested in hearing what has changed for your congregation since the last issue of *MU Now* was published, way back in May. Thank you.

If you have any contributions for the next *Bits & Pieces*, please send them to me at 5, Martins Road, Piddington, Northampton NN7 2DN or via e-mail to revsuewoolley@gmail.com Thanks!
